Bi-monthly Litter Pick 5th November 2022

The rain did not dampen the litter picking spirit of our lovely ladies and Gentlemen today.

Cllr Mrs Penny Yeo and residents Val Kelly, Rosie Brown, Christine Risby, Malcolm Adam and Alan Postawa, braved the conditions and filled and collected 10 bags of rubbish from West Moors streets.

Although, there were not as many volunteers today as there has been before, there were sincere apologies and disappointment for not being able to attend. It is genuine concern for our environment that these faithful volunteers turn up every other month, many doing their own litter picking in between.

Another successful and appreciated, green team clean up until January 2023.
