

PROPOSED TEMPORARY CLOSURE OF OAKHURST ROAD, FERNDOWN

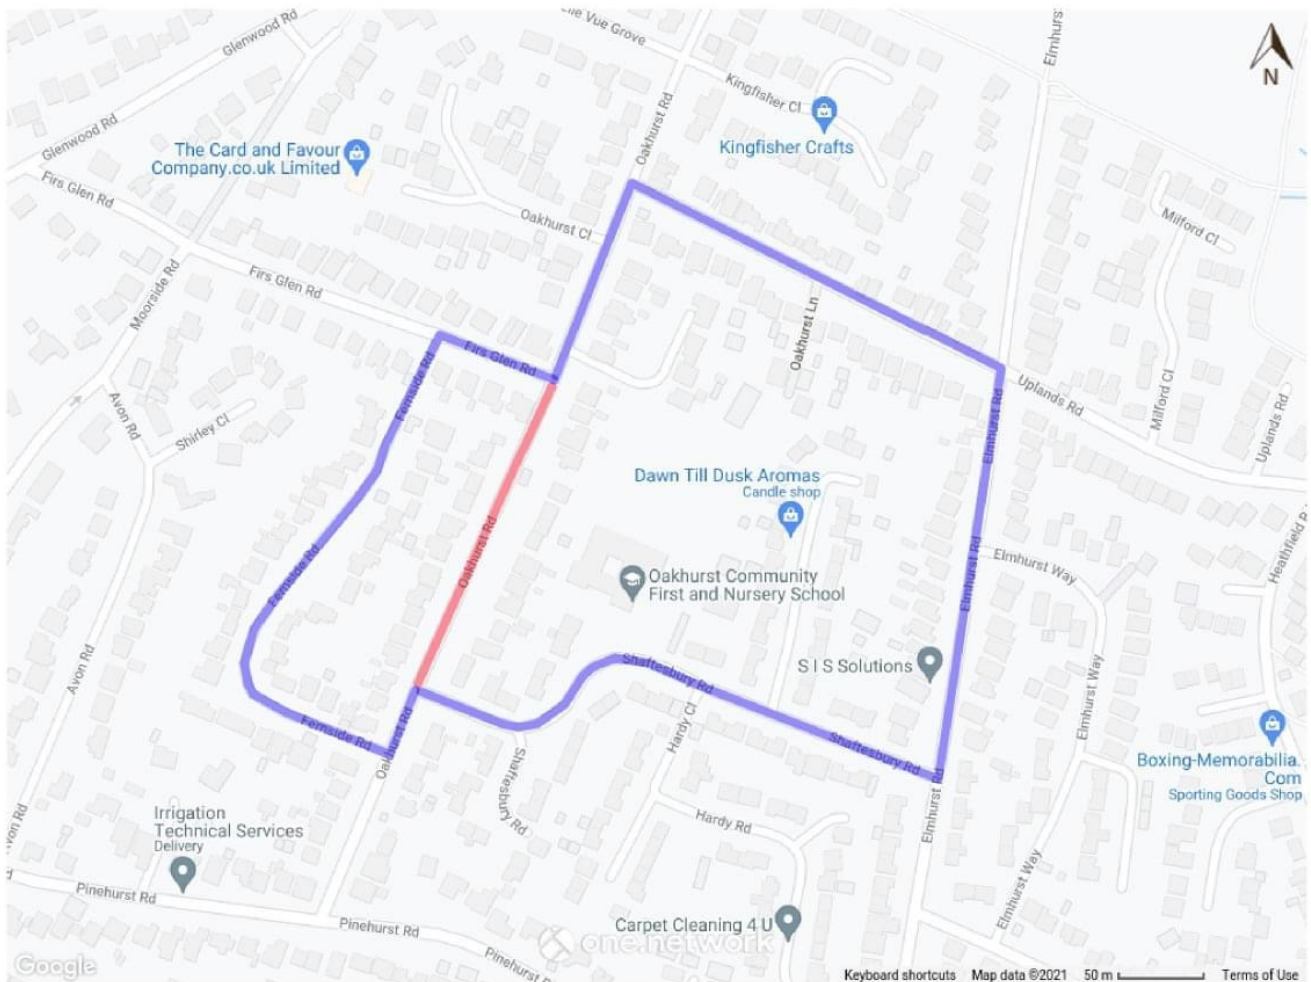

I have received an application from SGN to close Oakhurst Road, Ferndown between the junctions of Firs Glen Road and Shaftesbury Road (in both directions), a distance of approximately 200 metres. The closure has been requested to allow JDT Utilities agents of SGN to install and replace a gas main in the highway.

These works are programmed to commence from 09:00, 22nd November 2021 until 16:00, 17th December 2021.

Access will be granted to all residents and blue light vehicles.

JDT Utilities agents of SGN will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Nigel Coelho, (trafficteam@dorsetcouncil.gov.uk) by 12th November 2021.
