

BI-MONTHLY LITTER PICK

Saturday 6th July, 2024

A wonderful team of 23 from a wonderful community, joined together today, for the bi monthly litter pick.

All super eager too; arriving early and keen to get going- no time for snapshots!

But they agreed it's not about claiming fame, it's about giving back and protecting our home.

A sense of satisfaction and belonging is increased when members of public say

Thank You for their efforts: Thank You for your Thank You's. 😊

Keep up the compliments and we will keep up the cleaning!

However, for those that give our litter heroes the cause to be out there;

Please stop, Don't Drop. Put it in your pocket, or your car, or carry it till you get home. It will save millions in money and wildlife homes and lives.

Think, don't throw.

On a positive, there did seem to be less litter today, than in July, so let's hope it isn't a coincidence, and that the presence of these amazing volunteers, is starting to creep into the conscience of others.

West Moors Town Council Litter picking events are open to people of all ages and you will be provided with bags, gloves and pickers (you're welcome to bring your own if you'd prefer!).

Thank you again in advance, to Dorset Waste Services (DWS) street cleaning crew for collecting this all on Monday!

Amongst our litter heroes today were;

Heather Barnsley, Rosie Brown, Christine Risby, George Stead, Nigel Barclay, Mrs & Mrs Connell, Chris Wilson, Chris Le Grand, Steve Yeates, Mr & Mrs Postawa, Cllr Jordan Randall, Pete Osborne, Anne West, Val Kelly, Lynne Morris, David Mansfield, Mr & Mrs White & Son and Sue Kent & Janice Clyde.

Thank You everyone.

See you all in September 😊
