

West Moors Town Council

PRESS RELEASE

Children's Design a Christmas Card Competition 2022

Children attending local First and Middle Schools and/or that are residents of West Moors, were given the opportunity to design a new Christmas card for West Moors Town Council to send out this year.

The children had to design a Christmas picture, of any style, that could be scanned onto the Christmas cards and judged by the Chair of the Council.

As in previous years, the decision making was very difficult and so many children deserved commendations and thanks.

It is always so rewarding receiving such cute, talented and creative pictures.

The Winner, Miss Madison Trim, Year 6 from West Moors Middle School drew an inviting 'Christmas Scene'.

For this she will receive a pack of 20 printed Christmas cards with her winning design on the front, as well as an arts and craft gift.

Runner up 1, Miss Holli Tulley, Year 7 from West Moors Middle School drew an adorable Christmas Piglet

Runner up 2, Miss Layla Stroud, Reception Year, from St. Mary's First School, drew the Three Wise Men.

The Runners Up will both receive an arts and craft gift too.
Thank you to everyone that took part.
