## **NATIONWIDE CLOSURE** **THE LONELY and ELDERLY:** **COULD WE ENCOURAGE SOME OF YOU TO:**

Offer to car share and take some of our elderly residents up to Ferndown to undertake their transactions with the Nationwide?

### **BECAUSE:**

It is with deep regret to report that Nationwide confirmed they will still be closing the West Moors branch as of 31st January 2020.

The petition that included over 1,900 signatures, highlighted the community support within the village but unfortunately did not influence the decision of head office.

**THANK YOU TO ALL THOSE THAT WERE INVOLVED IN THE CO-ORDINATION OF THE PETITION and THOSE THAT SIGNED IT.**

ANYONE that experiences difficulties with the changes caused by the closure, they are welcome to call 0800 554 1498, to discuss suitable help.

### **Parish Council suggestion:**

#### **Those that can help:**

Display a notice in local magazines, Facebook, parish noticeboard etc, offering your help.
