

## Bi-monthly Litter Pick 26<sup>th</sup> September 2021

\*\*\*\*\*

A huge THANK YOU to the 18 volunteers who gathered on Sunday 26th September for our first bimonthly litter pick, which was attended by Councillors, families, couples, and individuals.

A litter picking army with fluorescent jackets, gloves and litter pickers hit the streets of West Moors (from one end by Sturts Farm to the far end of Pinehurst Road and the flyover), coming across a wide variety and size of litter, which, although disappointing, was efficiently collected, culminating in over 12 bags of rubbish, but probably only scratching the surface, with hidden corners and car parks not all reached.

Thank you to everyone who gave up their Sunday morning to spring clean West Moors and have agreed to take part at the next one scheduled for November (date to be confirmed nearer the time, but it will be a Saturday).

The feedback and enthusiasm has been so positive from residents that have attended previous annual litter picks, that WMTC have agreed to host bimonthly ones. It's great to see a community with such a supportive, can-do mentality. (Not all volunteers were photographed as they arrived at different times).
